HEALTHCARE

**Pelican
Elements**

Feel the Difference.

Platinum with Vitamin E Elements Range

Specially formulated to complement our Vitamin E pouches, our 1% Vitamin E skin care products continue to provide the skin nourishing benefits.

“A few days later of religiously using the Vitamin E Elements range I noticed a massive difference in my skin. The itching and bleeding completely stopped... It really helped my skin and my self-esteem.”

Vitamin E Adhesive Remover - Spray and Wipes

- Fragrance free
- Available as wipe and aerosol
- Bag in can technology –360° spray
- Easy removal of pouch
- Silicone based
- Non-chill
- Alcohol free
- 1% Vitamin E

“I used the adhesive remover spray twice daily for 2 weeks and there was a definite difference. The skin reddening seemed to be less intense using this spray, and my skin also felt super soft and nourished to touch as the days went on.”

130400E - 50ml Can

130500E - 30 x Sachets

Vitamin E Barrier Cream

- 1% Vitamin E
- Zinc free
- 60g Tube
- Fragrance free

"I noticed a massive difference in my skin. The itching and the bleeding completely stopped."

130100E - 60g Tube

Vitamin E Barrier Film - Spray and Wipes

- Fragrance free
- Creates protective barrier on skin
- Aids adhesion and removal
- Available as wipe and aerosol
- Bag in can technology – 360° spray
- Quick drying
- Non-sting and Non-chill
- Alcohol free
- 1% Vitamin E

"My skin has been appreciating the Vitamin E without a doubt. The skin around my stoma site has honestly never looked better."

130200E - 50ml Can

130300E - 30 x Sachets

Protect Plus Barrier Film

- Creates protective barrier on skin
- Refreshing spearmint fragrance
- Bag in can technology – 360° spray
- Added Vitamin E
- Aids adhesion and removal
- Alcohol free
- Quick drying
- Non-sting
- Available as wipe and aerosol

“I find the wipes easy to carry about and there is no problem of them drying out.”

130260 - 30 Wipes
130261 - 50ml Aerosol

Release Adhesive Remover

- Refreshing spearmint fragrance
- Available as wipe and aerosol
- Bag in can technology – 360° spray
- Added Vitamin E
- Easy removal of pouch
- Silicone based
- Non-chill
- Alcohol free
- Nourish and moisturise skin with every use

“I love how there is no chill on application.”

130360 - 30 Wipes
130460 - 50ml Aerosol

Deo-Mint Deodorant

- Eliminates and neutralises odours
- Spearmint fragrance
- 50ml bottle
- 100% active liquid in every bottle

“I have been using Deo-Mint for quite some time now, and it is the best product I have tried in the past 8 years for eliminating odour!”

130770 - 50ml Bottle

Perform Solidifying Agent

- Highly absorbent powder
- Absorbs excess fluid and turns output into a gel
- Reduces leakages and pouch noises
- Minimises output movement in pouch

“I always use Pelican Perform. They are brilliant and give me lots of confidence.”

130160 - 60 Sachets

Select Minuet Stoma Caps

- Ideal for sporting activities, intimate moments and those who irrigate
- Suitable for Ileostomists when bathing
- Hydrophobic filter
- Comfortable
- Small and discreet
- Available in 2 sizes

“I am a little bit self-conscious and it’s nice to have a secure alternative to wearing a pebble like pouch all the time. I will most certainly continue to use the Pelican Stoma Cap.”

102380 -
30 per pack - 10-40mm

102382 -
30 per pack - 10-55mm

Contour Flange Extender

- Additional security
- Satin finish – prevents clothing “grabbing”
- Slim line profile – reduces edge lifting, acting like a second skin
- Elastic material – moves and stretches with the user
- Size – 1 flange covers half a base plate

“Secure but easy to remove, with no residue left on the skin.”

130860 - 30 per pack

Pelican Ultra Barrier Cream

- Designed to protect peristomal skin
- pH balanced
- Ideal for sore and broken skin
- Water based for optimal absorption

"I use your Barrier Cream and just want to say thank you - It's a life saver."

130105 - 50g Tube

Pelican Support Stoma Waistbands

- Seamless
- Soft breathable fabric
- Suitable for men and women
- Lighter support for small hernias
- Available in 3 sizes
- Ideal for sporting activities, intimate moments or for a smoother body shape
- Choice of black, white or beige fabric
- Holds pouch securely in place

Find codes overleaf

"When I wear the Support Waistband I cannot feel the weight of my pouch at all. It is so supportive and figure smoothing. I can't imagine my life without it, so much so, that I have 3."

- For complex skin problems or uneven skin surfaces

Problem Solver

eakin Cohesive StomaWrap™

Your Time Saver

- For large, oval or irregular shaped stomas
- For those with limited dexterity

Preventer

Problem Solver

eakin® Cohesive Seals & Stoma Wrap

Our highly absorptive seals prevent moisture-associated skin damage (MASD) by offering:

1. Super absorption 4.0g/g
2. High protection against enzymes (Elastase & Lipase)
3. Combatting irritants plus easier to mould and stretch increasing pouch wear time

“The difference one small Cohesive® Seal has made to my life is unbelievable. It has given my confidence back.”

eakin® Cohesive Slims

- For everyday protection and security
- For frequent pouch changes
- For mild skin irritation
- For use with pre-cut pouches to create exact fit
- Ideal for use with convex pouches

“I use the Cohesive SLIMS® and they are superb. No skin reaction at all and they really last.”

839005 - 30 per pack

eakin® Cohesive
Seal – Small

- To provide maximum protection
- For those with high fluid output
- To resolve leakage problems
- To extend pouch wear time

eakin® Cohesive
Seal – Large

- Ideal for Urostomates
- To cover a large area of peristomal skin
- Helps prevent irritation from pouch flange
- For use with deep convexity

eakin® Cohesive
Stoma Wrap

- Unique shape
- Quick and easy to fit
- Ideal for large or oval shaped stomas
- No need to warm, stretch or tear to correct size
- For those with limited dexterity

“I have had a stoma since 1954, my skin had been raw and bleeding ever since or until a few months ago when I started using Cohesive®. Now my skin is beginning to heal and I no longer leak.”

839002 -
Small - 30 per pack
839001 -
Large - 10 per pack

“I found them very easy to use and appreciate the fact that I didn’t have to tear them at all. I saw a massive improvement with my sore skin even after just the first day of wearing them.”

839006 - 10 per pack

eakin® Cohesive Cohesive Paste

- Alcohol free
- Absorbs moisture, keeping it away from the skin
- Will not sting or dry out
- Reduces digestive enzyme activity, stopping them from breaking down the skin

"I love Cohesive® Paste, it has given me great comfort and it's easy to use. Skin ulcers around my stoma have now healed."

839010 - 60g Tube

eakin® Support Belt

- Designed to provide full and complete abdominal support for prevention and treatment of peristomal hernias
- Lightweight, breathable and washable fabric
- Neutral tone fabric and slim line fit
